Dear Parents:

Re: Move to Capilano School

Although Suzuki Charter School is very happy to be relocating to Capilano School, we have not officially taken possession of the school. We have been informed that some of our parents have gone to the school requesting a tour.

We ask all parents to respect that this is not yet our school and to refrain from visiting this school at this time. We must be mindful that the loss of this school is a very sensitive issue for the Capilano community.

Please visit the Suzuki Charter School website for all updates regarding our relocation to Capilano School. If anyone has any questions regarding our move, please feel welcome to contact me at farrusd@suzukischool.ca

Your understanding and cooperation in this matter is much appreciated.
