School Supplies - 2018 – 2019

As your child goes from Kindergarten to Grade 6 you'll notice that the main supplies from year to year remain the same. That means that if your children have supplies left over from their school year, they will be able to reuse them for the following year. There are some small differences between the grades but the main supplies like pencils and crayons remain the same year after year.

Secondly, we wanted to highlight that families always have the option to obtain their school supplies from any vendor they choose. First and foremost, all families will be given their school supply list based on the grade their child will be entering. From there, all parents will be able to take the list and buy from any department store they choose.

For those parents who would like to order their supplies from a vendor, we will again be using the vendor School Start, whose prices are very competitive and parents can order as little or as much of the supply list as they want. This makes it easy for ordering supplies, especially if you have some of the items at home already; you can order only the supplies that are needed. With this option, supplies can be delivered to the school or to your home by the vendor for added convenience.

To make school supply shopping as easy as possible for students, parents, and staff, we are attaching a copy of your child's school supply list so you can determine whether you wish to shop for supplies or purchase from the vendor, School Start.

In addition to these supplies, we request that all students have a blue Suzuki T-shirt to be worn at assemblies and on fieldtrips outside the school. If you would like to order one, or perhaps one in a larger size for your growing child, these are available at the cost of \$20.00 each. These can be ordered and paid for online using our InviteRight site via the link shown here: <http://inviteright.com/suzuki/201819TShirt>. This link can also be found in both your child's google classroom or on the school website under the "School News" blog "School Supplies for 2018-2019". You can also opt to order using the attached form (back side of this page) by bringing it to the school office and pay by cash, cheque, debit or credit card with Mrs. Skovberg. **Orders for T-shirts need to be placed by no later than Friday, June 22, 2018 at 4 pm.**
